We are trying to inform all of our customers regarding the current cedar market. Recent weather in MN, NE, TX and Alabama have increased the demand for cedar roofing. Current prices are below:

24" Medium Shakes	200/sq
24" Heavy Shakes	229/sq
16" Cedar Shingles	189/Sq
18" Tapersawn Shakes	220/sq

Prices are expected to increase as much as 15% in the next 2-3 months. It is our recommendation to confirm pricing before accepting orders. Please feel free to call with any questions and thank you for the business.

Best Regards,
